

MUSIC TOGETHER[®]

THE JOY OF FAMILY MUSIC[®]

Music Together[®] is a family music program geared for children ages 0-5. The winter semester consists of 10, 45 minute, weekly parent-child music classes. You and your child will experience a rich variety of music from the folk, jazz, and world music traditions in a variety of tonalities and meters. Child development researchers recommend mixed-age groupings because they foster natural, family-style learning.
